Hiding a Facebook Post

To hide a post from your Feed:

1. Go to the post in your Feed that you want to hide.
2. Tab to the **Actions** for this post (three horizontal dots in top right corner of the post) and press the **spacebar** to open the menu.
3. **Down arrow** to one of the following options:
 - **Hide post:** Hides a single post. Hiding a post from your Feed helps Facebook learn more about what you want to see in your Feed.
 - **Snooze [Name] for 30 days:** Temporarily hides all posts from a specific person, page, or group from your Feed. You'll continue to be friends with or follow the person, page, or group.
 - **Unfollow [Name]:** Hides all posts from a specific person, page, or group from your Feed. You'll continue to be friends with or follow the person, page, or group.

- **Report Post:** If you think a post doesn't follow Facebook's Community Standards, you can report it.
