

## Facebook with Screen Reader

# Joining a Group

1. On the **Homepage**, press **CTRL + Home** to move to the top of the page.
2. Press **Tab** to move to the **Search** edit field.
3. Type “Groups” into the **Search** edit field and press the **Enter** key.
4. Tab until you reach **Groups—Connect with people who share your interests**.
5. Press the **spacebar** to select.
6. **Tab** to the **Search Groups** edit field. Type your topic of interest and press **Enter**.
7. In the middle pane, **Tab** through the list to find the group you’re looking for.
8. Tab to the **Join Group** button and press the **spacebar** to select it.

**Tip:** If you can’t join a group as your Facebook Page, it may be that the group admins don’t allow Pages to join their groups.
