

Facebook with Screen Reader

Turning Off Group Notifications

Facebook lets you turn off Group notifications.

1. Navigate to the **Group** page.

Tip: For a refresher on searching for a Group, refer to the Groups workshop in this series.

2. Press **CTRL + Home** to move to the top of the **Group** page.
3. Press **H** for “heading” to put the focus on the **Group** name.
4. Press **Tab** to move through the number of members.
5. Press **Tab** to move through the name of the first member.
6. Press **Tab** to move to the **Joined** button.

7. Press the **spacebar** to expand the drop-down menu. You'll hear your screen reader announce, "Manage notifications."
8. If you are not on the **Manage notifications** option, press the **up arrow** to move to this option.
9. Press the **spacebar** to select the **Manage Notifications** option.
10. **Down arrow** through the options and their corresponding radio button controls.
11. Press the **spacebar** to select the radio button of your preferred option.
12. Tab to the **Save** button.
13. Press the **spacebar** to save your selected option and close the menu.
