

Amazon Fire TV Stick

Connecting Your Amazon Fire TV Stick to Your TV

1. Connect one end of the USB cable to your Amazon Fire TV Stick and the other end to the included power adapter.
2. Plug your Fire TV Stick into the HDMI port on your TV. Use the included HDMI extender to improve Wi-Fi and remote performance.
3. Plug the power adapter into a nearby electrical socket.
4. Turn on your TV and then select the appropriate HDMI input.
5. If you have trouble fitting your Fire TV Stick into an HDMI port on your TV, use the included HDMI extender.

Note: If your Wi-Fi network is password-protected, have your network password handy to connect your Fire TV Stick to the Internet. If your network is hidden, select the “Join Other Network” option from the list. If required, enter your network password using the on-screen keyboard.
