Sharing a Document and Asking AI a Question

Sharing a Document

1. Select the **Share** button at the bottom of the screen.
2. Select **Share Text**.
3. Choose how you want to save or share the document: **Save to Files**, **Messages**, **Mail**, **Notes**, or other available options.
4. Save the document in your desired application.

Ask AI a Question about the Document

5. Select the **Question Mark** button at the bottom of the screen.
6. Type your question. If you prefer to dictate your question, select the **Microphone** button in bottom right corner of the screen.

Tip: You can ask AI for more details, such as a summary of the documents, font size, and style.

7. Select the **Up Arrow** button to send your question to Seeing AI. The responses will be displayed as text and read aloud.

8. When you're done, select the **Back Arrow** in the top left corner two times to return to the Home Screen.

Scanning and Reading More Pages

9. After scanning and reading the first page, select the **Add Pages** button at the top of the screen. It is located to the right of the Page 1 of 1 title.

Tip: The button looks like a lined page with a plus sign in the bottom right corner of the page.

10. Repeat scanning and reading the next page.
